By registering, I, the parent/guardian of the player, acknowledge and consent to the rules of Soccer Talent Academy LLC, including the state association (U.S Club) and its affiliated organizations. I affirm that my child is in good health and capable of participating in soccer. I understand that while the academy prioritizes fun, fair play, and skill development, participation carries inherent risks, ranging from minor to severe injuries, and may include death, paralysis, or other serious disabilities. I accept these risks as a condition of my child's participation. **All injuries sustained must be reported within 90 days from the injury date.**

This contract is legally binding. Regardless of the number of games played, full payment of the season's fees is required.

Failure to pay by the 5th of each month incurs a late fee of \$10. Players with overdue accounts as of the 5th of any month cannot attend practices or games until their accounts are settled. Returned checks will incur a \$35 fee.

I grant Soccer Talent Academy LLC and its affiliates permission to internally and externally use emails, mailing addresses, and photographs of the registered player, without compensation.

All player registrations are to be renewed at the beginning of each new season.

Any player intending to leave the club must provide prior notification to the staff. The player's season pass will be withheld until a fine of \$500 is paid by the parent or guardian.

Players must attend training sessions punctually and in the correct uniform. Incorrect uniforms will result in the player being unable to train or participate in matches. Uniforms must be the current version of the club's kit; older versions are not acceptable.

Players must inform the coach in advance if they are unable to attend a practice session or match.

Consistent failure to attend training sessions may lead to sanctions from the coach.

Players in the academy program will engage in multiple leagues and tournaments. Commitment to these matches is essential from both players and parents

Weather Cancellation Policy: Practice will be canceled under two circumstances: Thunderstorm by the field or Unplayable field conditions due to water saturation.

The club will announce practice cancellations at least 1 hour before training. If no announcement is made, practice proceeds as usual.
